GENERAL FISHING RULES

- Catch and release is mandatory in Rainbow Dam 4, Rainbow Dam 1, Trophy Dam and the river.
- Only recognised fly-fishing equipment may be used when fishing at Tierhoek (**NO** spinners, rapala's etc.) will be tolerated (excluding Family Dam). Unconventional fishing tackle may only be used should special consent be given by ALL shareholders.
- Any tackle may be used at the Family Dam. Please ensure the hooks are debarbed for effective fish release. Any fish kept or that die post-release (in Family Dam) must be paid for at R100 per fish.
- Only CVC Club Members or guests accompanied by members may fish trophy Dam.
- No vehicles allowed on dam walls.
- No swimming allowed in any of the Trout dams.
- No combustion-powered boats are allowed on the dams. Only sneaker engines, kick and paddle craft are allowed.
- No fishing is permitted within the Hlatikulu River inlet into the Trophy dam. In addition, the river above the syndicate dam is off-limits for fishing between the months of June to September (for the spawning season).

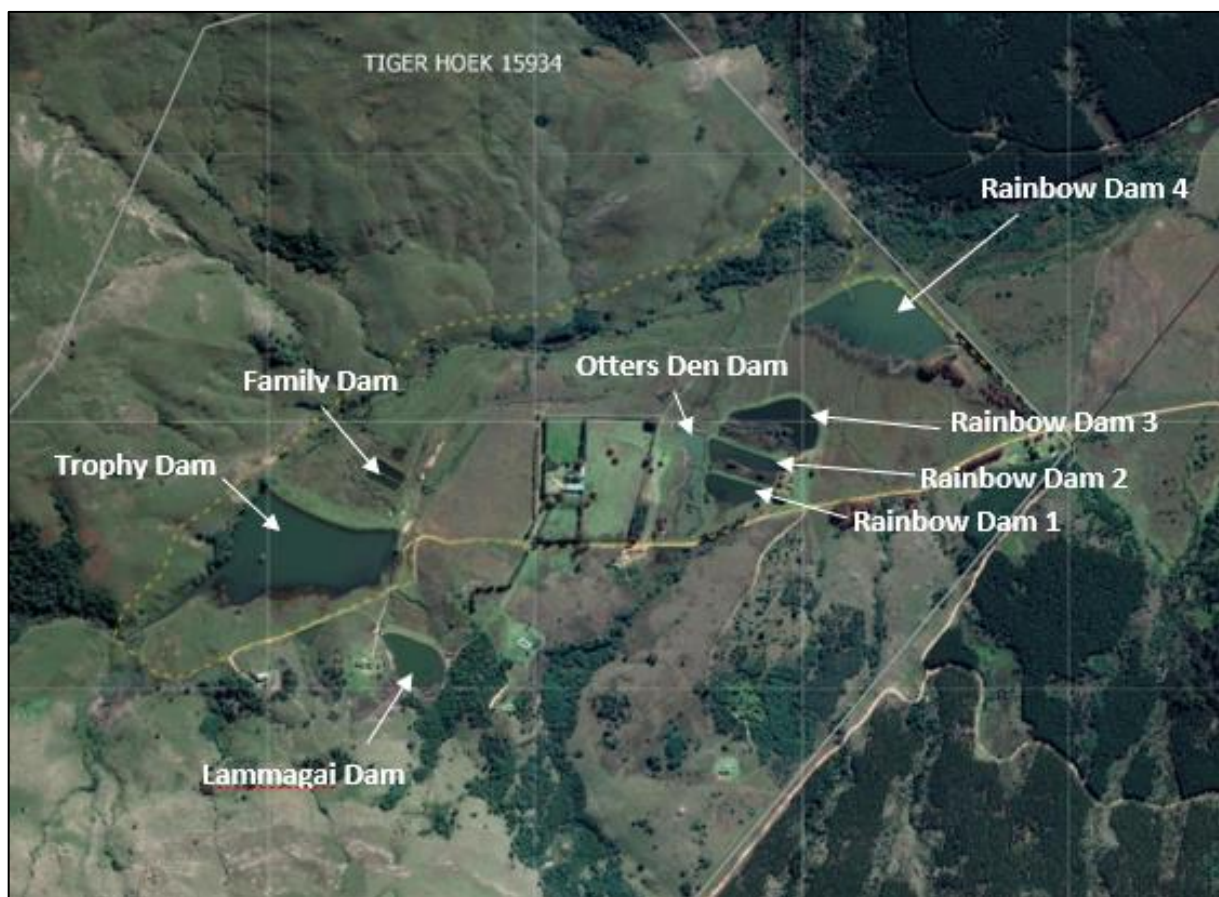

TIERHOEK/CVC SYNDICATE FISHING POLICY

9. **All** Syndicate Members and guests must complete a **catch return** to be submitted via text or WhatsApp to the Tierhoek Fishing Syndicate WhatsApp Group when leaving the farm. This enables a digital catch register and stocking log to be maintained. Rob Rowles (072 548 1841) is the group admin on the Tierhoek WhatsApp Group.
10. Note: Photos of the fishing trips shared on the WhatsApp group may be used for Tierhoek's social media feeds.
11. After stocking, all affected dams will be closed for a 1 week period.
 - **Barbless flies only.**
 - ***The Manager has been delegated the authority to enforce the fishing club rules, by EXCO and the Trout Syndicate Board Members.***
 - *The Otter's Den and Lammagai Dams (directly in front of Otters Den and Lammagai Cottage's) are stocked privately, separate to the club dams. These two small dams are for Otter's Den and Lammagai guests only.*
